

Video Responses

Religion	Nationalities	Responses
14 Muslims	10 Arabs	3 Negative
13 Non Muslims	17 Non Arabs	18 Positive
		7 Didn't Know

Looking for someone to interview was a really difficult task for us. People found that the issue was too political and sensitive and didn't want to involve themselves. The issue of what an "Arab" or "Islam" is threatened them in some way. Other people had some issues with the camera, they didn't feel comfortable being video taped.
